Keller Group plc

Capital Markets Day

Keller Group plc (“Keller” or “the Group”), the international ground engineering specialist, is today hosting a Capital Markets Day in London for analysts and investors.

The purpose of the event is to update the market on how the Group’s strategy is being implemented and on developments in Keller’s four divisions. Presentations will be given by the Group’s four Divisional Managing Directors.

The presentations will also appear on Keller’s website from 3.30pm at <http://www.keller.co.uk/investor/result-centre/results-archive/2012pres.aspx>

No new material information will be disclosed and no updates on current trading will be given.

Notes to Editors:

Keller is the world’s largest independent ground engineering specialist, providing technically advanced and cost-effective foundation solutions to the construction industry. With annual revenue of around £1.2bn, Keller has around 7,000 staff world-wide.

Keller is the market leader in the US and Australia; it has prime positions in most established European markets; and a strong profile in many developing markets.
