**Keller Group plc
Year End Trading Update**

Keller Group plc (“Keller” or “the Group”), the international ground engineering specialist, is providing the following routine trading update in advance of its results for the financial year ending 31 December 2013, to be announced on 3 March 2014.

There has been no significant change in market and trading conditions since the release of the Interim Management Statement on 19 November 2013. The Board therefore expects that the full year results will be in line with current market expectations.

Forward-looking Statements

This document contains forward-looking statements which have been made in good faith based on the information available at the time of its approval. It is believed that the expectations reflected in these statements are reasonable, but they may be affected by a number of risks and uncertainties that are inherent in any forward-looking statement which could cause actual results to differ materially from those currently anticipated.

Note to Editors

Keller is the world’s largest independent ground engineering specialist, providing technically advanced and cost-effective foundation solutions to the construction industry. With annual revenue of around £1.5bn, Keller has approximately 8,000 staff world-wide.

Keller is the market leader in the US and Australia; it has prime positions in most established European markets; and a strong profile in many developing markets.
